ELKS AIDMORE, INC. BECOMES ACCREDITED

Elks Aidmore, Inc. has received notification that it has been accredited by the Council on Accreditation (COA), according to an announcement made to Abe Wilkinson, Chief Executive Officer of the organization, which is located at 2394 Morrison Road Conyers, GA 30094, USA.

COA accreditation attests that an organization meets the highest national standards of best practice and is delivering the best quality services to the community it serves. Elks Aidmore, Inc. is proud to join COA's Community of Excellence, which is comprised of more than 1,800 private and public organizations that serve over 7 million children, youth, individuals and families in North America.

Founded in 1977, COA is an independent, not-for-profit accreditor of the full continuum of community-based behavioral health care and social service organizations. COA's mission is to partner with human service organizations worldwide to improve service delivery outcomes by developing, applying and promoting accreditation standards. COA envisions excellence in the delivery of human services globally, resulting in the well-being of individuals, families and communities.

The COA accreditation process involves a detailed review and analysis of an organization's administrative operations and service delivery against national standards of best practice. All of the programs contained within an organization for which COA has a service standard are subject to review as COA reviews and accredits the entire organization, not specific programs.
